

Mademoiselle

C G D G
Silently she goes
C D G C
Pure as freshly laden snow
G C G D G
I think I hear her call my name
G D C
I want to be with her again
C A
Mademoiselle tranquillity
D C
Mademoiselle serene
C G D G
Only time will tell
G D G C
If you're my eternal mademoiselle

Gentle her caress
Infinity of faithfulness
She always kept me warm
And guided me through every storm
Mademoiselle you live in me
Mademoiselle my dream
Only time will tell
If you're my eternal mademoiselle

Epitome of grace
Gateway to a perfect place
I feel you echo through my past
But will you be there at my last
Mademoiselle divinity
Mademoiselle you've been
Only time will tell
If you're my eternal mademoiselle

Mademoiselle tranquillity
Mademoiselle serene
Mademoiselle you live in me
Mademoiselle my dream
Mademoiselle divinity
Mademoiselle you've been
Only time will tell
If you're my eternal mademoiselle
Only time will tell
If you're my eternal mademoiselle
