

New Promised Land

Chorus

G G
It's a fair wind
D7 G
So tighten it down
G G
A pull on the ropes
C G
And the capstan turns round
G G
A strain on the eyelets
C G
As wind fills the sails
G G
For we head to the New World
G G
With promises and tales
-
-
Bless our tomorrow's
In the new promised land

All that we own
bagged up and boxed
What we can't carry
Given or sold off
Our lives cast away as
The wind fills the sails
For we head to the New World
With promises and tales
-
-
Bless our tomorrow's
In the new promised land

We walk the deck
see who we meet
Blacksmith, a farmer
and butcher for meat
We plan our village as
The wind fills the sails
For we head to the New World
With promises and tales
-
-
Bless our tomorrow's
In the new promised land

Chorus

We see romance
When sea is calm
Newly acquainted
walk by arm in arm
Hope fills the heart as
The wind fills the sails
For we head to the New World
With promises and tales
-
-
Bless our tomorrow's
In the new promised landAs

Future ahead
We move with godspeed
Land coming closer
As bow parts the seas
Welcome tomorrow as
The wind fills the sails
Close to the New World
With promises and tales
-
-
Bless our tomorrow's
In the new promised land

Chorus

Final Chorus
It's a fair wind
So tighten it down
A pull on the ropes
And the capstan turns round
A strain on the eyelets
As wind fills the sails
As we land in America
Our New Promised Land
